Where any motion or resolution failed to receive a majority of the weighted voting power of the Board, the motion to reconsider must be made by a member who voted in the negative. 24. Layover:

Every resolution and local law as amended, before the Board, shall lay over until the next regular session of the Board if so demanded by any member. No further action may be taken on the resolution or local law or its amendments, but limited debate may continue at the discretion of the Chair. No member shall be required to tell his or her reason for lay-over of the resolution or local law. Any action on a laid-over resolution or local law must take place at the next regular session. A special meeting may be called, pursuant to Rule 6, for purposes of considering a laid-over resolution or local law, prior to the next regular session. If a special meeting is called for that purpose, any action on the laid over resolution must take place at said special meeting. Amendments to such a resolution or local law being considered are not subject to lay-over. No resolution or local law may lay over a second time. When a motion, resolution or local law is presented at the last session of any year, then, and in that event, the Board must take a vote upon such motion, resolution or local law on that day unless such motion, resolution or local law be laid on the table by a weighted majority of the members present and voting.

No claim for any purchase made or any expense incurred in violation of this rule shall be audited.

This rule shall not apply to purchases made or expenses incurred by the County Commissioner of Social Services or other County Officer or employee when such is authorized or directed by general or special statute or order of a court of competent jurisdiction, or by resolution, or local law passed by the Board.

This Rule No. 25 may be rescinded, suspended, or changed in accordance with Rule No. 23 in order that a claim for any purchase made or an expense incurred which violates this Rule may be audited by this Board.

26. Officers, Compensation of Elected:

Any motion or resolution relating to compensation of elected County Officers shall be presented at a regular session of the Board of Supervisors at least eight months prior to the beginning of the term of office of such officers, but if presented at the last regular session in the month of April, it shall be acted upon at such April session; this rule supersedes all provisions to the contrary as set forth in Rule No. 24. Nothing in this rule shall be deemed to

deny or curtail the powers given the Board of Supervisors to increase salaries of elected officers during the term of office in accordance with Subdivision h, subparagraph 2 of Section 24 of the Municipal Home Rule Law.

27. Committee, Chairman's Power to Refer to:

All petitions, communications, and reports and motions requiring action of a committee shall be referred by the Chairman, without motion, to the committee having charge of matters relating to the same.

28. Attendance, Late Arrivals:

Any member attending a session of this Board subsequent to roll call shall address the Chair and request that his or her attendance be noted in the record.

29. Quorum:

A quorum shall consist of enough members present having at least a weighted voting majority. If those present do not have a majority of such voting power, those present shall adjourn forty-five minutes after the time set for the session.

30. Committees, Weighted Vote:

Because committee reports and recommendations are not binding upon the Board, Standing and Special Committees shall not use a weighted vote in the work of the committees, but however, any member of the Board may offer, at any time, a motion or resolution regarding any matter referred to Committee with or without the benefit of the Committee's report or recommendation.

31. Resolutions, Filing Deadline:

No resolution shall be offered unless it first has been filed with the Clerk of the Board by noon of the fourth working day prior to and not including the day of the session at which it is offered. Any resolution which has been filed in accordance with this rule may be offered by any member of the Board at the next scheduled Board meeting. This rule shall not apply to special meetings of the Board under Rule 6, nor to the Organization Meeting of the subsequent year, under Rule 2.

32. Local Laws, Procedure for Adoption:

The Chairman of the Board may authorize the setting of a date for all necessary public hearings, and may authorize the Clerk to give notice thereof. Each local law shall be presented by the delivery of a copy thereof to each supervisor, and by notation thereof as a Communication. Each local law shall be adopted as a local law, without a separate resolution of adoption, and the Clerk is hereby authorized to renumber local laws as necessary to satisfy the requirements of the Municipal Home Rule Law.
